A home is more than just somewhere to live. It's a haven from the pressures of life. This innovative design ensures your own private escape whenever you walk through your front door. It combines a family friendly layout with retreat spaces', with living, kitchen and dining area spreading across the middle of the home, large windows letting the light flood in and a magnificent covered outdoor room to boot, this home is straight out of a fairy-tale and will suit those who insist on living so close to everything.

With the Master suite privately located at the front of the home, it is a spacious home for those who seek an attractive single storey home that is sensibly zoned for maximum living flexibility, but which is also offers you a little more space where you need it. Immediately on arrival you are greeted by a large lounge room hall, then head straight through to the open plan kitchen & dining area and stunning outdoor room.

Explore SouthWest 1 and the Berrinba Wetlands, 80 hectares of natural beauty and recreational facilities. There are 430,000 new native plants, 100 nesting boxes for birds, possums and gliders, and 8 km of walking tracks for everyone to enjoy.
