ECO-FRIENDLY - ONE OF A KIND - EAST-FACING

Impressively proportioned and perfectly positioned in the family-centric community of Heathwood, this stunning four-bedroom home delivers a tranquil lifestyle and uniquely sustainable living. Featuring a concrete wall design, this eco-friendly residence ticks all the boxes offering exceptional living areas, an unrivalled lifestyle and family liveability.

Exuding a superb sense of light and space, enjoy the best in open-plan layout which seamlessly flows onto an alfresco entertaining terrace through large stackers doors. Impeccably designed and immaculately kept, enjoy a lush tranquil setting to entertain friends and family whilst the children and pets can play on the pristine lawns with ample room for a lounge and dining area.

A modern colour palette and industrial-inspired lighting to create a cool caf? style vibe in the striking chef's kitchen, sure to bring out your inner cook!

Featuring a gas cooktop, ample bench and storage space, functionality takes no second to style. With a vast island bench that comfortably seats four, this versatile space will be popular as a servery and informal dining as you capture gorgeous breezes through the stacke
